WHERE ELEGANCE & GRACE ARE RECAPTURED;

A Brief History About Us!

I created *Elegant & Graceful* to give women a choice in bringing elegance back into their everyday lives while expressing themselves through the captivating lingerie they wear.

Here at *Elegant & Graceful* we strive to make a difference in each woman's life by pampering her in exquisite garments of silks, satin and laces.

Today women & the men in their lives understand

that the right garments can create a sense of enchantment, and brings out the magic of every woman.

Elegant & Graceful was born out of pure frustration with mainstream stores lack of style and elegance.

Everywhere I shopped all the stores carried the exact same unimaginative, uninteresting nightwear & lingerie.

I couldn't help but think, "Why can't women have truly elegant nightwear & daywear that makes them feel beautiful?"

And Voila!! *Elegant & Graceful* was born!

MAY FEATURED ARTICLE-**WHAT IS ELEGANCE?**

Elegance is a French word meaning “one with refined grace and restrained beauty of style.”

Elegance is a frame of mind that influences our behavior giving us poise & grace while ensuring that our manners & etiquette empower us in any situation that we encounter.

We should expect to have elegance, luxury & graceful

beauty in our lives even if we are mothers, wives, girlfriends, or a significant other, we all have it in us to be elegant no matter what are position in life.

We deserve that extra comfort of elegant behavior that will provide self-esteem, confidence, self-worth and self-expression of who we are by what we wear.

True elegance becomes a part of our everyday life just in the way we sit, walk & carry our self. These small things we do so subconsciously can all be a part of becoming that new elegant you. When your clothes & makeup are nicely done; then you will sit straighter, you will walk more feminine & carry yourself gracefully.

You will feel as if you hold the key to everything good in life.

Elegance is an amazing quality that takes you from ordinary to unique!

OUR FRIENDS FROM LONDON

Once upon a time there was a large lady called Petronella. A very large lady. One morning Petronella awoke and said to herself "today I am going to start losing weight and I know I need help." So she made an appointment with an [Advisor](#) and 3 months later, when she looked in the mirror, she saw a slim figure with the right size curves in all the right places.

However there was a small problem. Her clothes no longer fitted. So she made an appointment with a charming alteration [lady](#) who expertly altered them. Now her clothes fitted her beautifully. That night, as she lay in bed sleeping, she dreamt that she looked like a princess in a fairytale. So the very next day she ordered some fabulous new [night-wear](#) and when she went to sleep that night she felt as though she was the most glamorous lady in the world.

Petronella was so proud of how pretty she looked and how very well she felt that she wanted to treat herself even more. To keep her body and mind in good order she enrolled in [Pilates](#) classes which she found most relaxing and therapeutic.

Petronella's friends were so astounded by her transformation that they decided she deserved a party. So they ordered some amazing [party food](#) and to help it go with a swing they arranged for a [band](#) to play.

Petronella was a very contented woman and so she remained happily ever after.

If you want to follow in Petronella's footsteps you know you can, because Women Know How.

CUSTOMER'S CORNER- A FEMALE ROAD WARRIOR!

MANY WOMEN ARE TRAVELING EXTENSIVELY ON BUSINESS IN THIS DAY AND AGE. WHILE STRESSFUL IT ALSO GIVES US AN OPPORTUNITY TO DO SOME SPECIAL THINGS FOR OURSELVES.

WE HAVE THE LUXURY OF DRAWING A HOT BATH AND SOAKING WITHOUT HAVING A DEBATE THROUGH THE BATHROOM DOOR. WE CAN PUT ON SOME SOOTHING MUSIC AFTER FINISHING THAT LAST EMAIL, CLOSE OUR EYES AND LET OUR MINDS WAN-

DER OVER LUSH FORESTS, WARM WATERS OR CRISP MOUNTAINS.

SOMETIMES WE ARE SO CAUGHT UP IN OUR EVERYDAY SCHEDULES THAT WE DON'T GRAB THESE FLEETING OPPORTUNITIES. SO NEXT TIME YOU ARE GETTING READY FOR THAT BUSINESS TRIP, SLIP A LITTLE SOMETHING IN YOUR SUITCASE, BE IT SOME REALLY SEXY UNDIES (ONLY YOU HAVE TO KNOW THEY ARE THERE UNDER THAT CONSERVATIVE BUSINESS SUIT),

A SILKY NIGHTY TO INDULGE YOURSELF AFTER HOURS IN BUSINESS MEETINGS OR EVEN A STUFF ANIMAL (WE ARE NEVER TO OLD) TO CUDDLE WITH.

REMEMBER TO BE GOOD TO YOURSELF-- ONLY THEN CAN YOU TAKE CARE OF ALL THE OTHERS WHO ARE COUNTING ON YOU.

SPECIAL TRIBUTE TO MOTHERS

A mom is one of the most rewarding & challenging professions I know. When I became a mom I had mixed feelings of how life would be after my daughter arrived. I had been a model for years and did not want to give up those fashions I loved for a stained cookie-covered t-shirt .

These preconceived ideas of what a mother looks like or acts like were not who I was. And that's ok! I don't have to give up the way I look , act & feel to be a great mom. My daughter looks to me and I need to be a good example of how mothers/women need to take care of themselves, and at the same time be true to ourselves as well. My daughter today looks up and admires the person I am not the person everyone thinks I should be. We talk about everything, do things together. And above all I am allowing her to grow into the person she is, and I'm enjoying every minute of it.
